

Student Life - Nice Campus

Enjoy the French Riviera!

Apart from the exceptional environment that the seafront Nice campus offers, the region offers a delightful mixture of tradition and modernity. You will discover picturesque villages and exciting neighbouring towns such as Monaco, Cannes and Saint-Tropez. Nice offers numerous sporting, cultural and leisure activities.

Only in Nice, you can go skiing in nearby ski resorts in the morning and take a swim in the Mediterranean Sea the afternoon. The buzzy South of France is also famous for its festivals such as the Cannes Film Festival and the Nice Carnival. The south of France follows a rhythm of easy living, the pleasures of good food, culture, and hospitality - why not let yourself become part of the Riviera lifestyle?
